## BY THE NUMBERS

Street Crime

By Christopher Tkaczyk

In a recent report, Bernstein Research found that after more than a year of turmoil and a \$1.4 billion settlement with regulators, Wall Street's reputation remains pretty much unscathed. While most investors linked Enron and Tyco with scandal, the ethical problems on Wall Street are "flying low on respondents' radar screens." Many people said they would "continue to do business as usual with the investigated firms." Let's just hope "business as usual" isn't what the firms themselves will do.

Are you aware of a current investigation associated with these Wall Street firms?

	Yes	No
<a href="#">Merrill Lynch</a>	34%	62%
<a href="#">Citigroup</a> /Salomon Smith Barney	28%	66%
<a href="#">Morgan Stanley</a>	16%	76%
<a href="#">J.P. Morgan Chase</a>	16%	75%
